- Language: Spanish (Native) and English (Fluent)

PROFESSIONAL EXPERIENCE

HEARTLAND ALLIANCE **Chicago, IL**
Research & Policy Intern, Social Impact Research Center June 2020 - Present

- Programmed +10 routines integrating data collection using Survey Gizmo, data wrangling and analysis in R/Python, and data visualization in Markdown, Shiny, and Tableau to assess the performance of a large RCT project in Chicago
- Evaluated cost-effectiveness of a dedicated app providing feedback to project participants. Applied machine learning and natural language process techniques in identifying alignment between staff and participants' incentives

HARRIS SCHOOL OF PUBLIC POLICY **Chicago, IL**
Teaching Assistant, Harris Summer Coding Lab September 2020

- Executed 3 hours of classes weekly for +30 graduate students. Helped in designing course's lectures, codes, and labs

Research Assistant, Harris Behavioral Insights Parenting Lab October 2019 - May 2020

- Recruited +100 households from the South Side Chicago in a study about parents' behavior on early infancy education

PERUVIAN INSTITUTE OF ECONOMY – IPE **Lima, Peru**
Head Economist, Department of Policies of Growth and Competitiveness July 2016 - July 2019

- Led IPE's newest department focused on subnational development. Mentored 5 economists with $100k annual budget
- Directed IPE's flagship reports: Regional Competitiveness Index and Economic Activity Composite Indicator. Presented both reports on live national media and conferences to government officials and private representatives
- Authored +120 articles IPE weekly published in El Comercio (most influential newspaper in Peru). Arguments of written pieces used available data, literature review, and interviews to field's experts
- Oversaw 3 consulting projects evaluating the microeconomic impact of the open, expansion, and shutdown of business in agriculture, mining, and industry sectors in three different provinces of Peru

Senior Economist, Department of Economic Studies January 2015 - June 2016

- Evaluated, in coordination with the Ministry of Finance, how taxation policy on sugar-sweetened and alcoholic beverages generated unintended effects on consumption patterns. These results received significant media coverage
- Revised last 30 years of macroeconomic performance of Peru and co-authored a chapter on "Monetary and Fiscal Policy: Has Latin America learned to mitigate the effects of crises?" produced by Konrad Foundation
- Prepared the International Affairs section for monthly report released by IPE to top 50 companies in Peru. Monitored economic changes in Peru's trade partners and financial performance of main stock exchanges

Junior Economist, Department of Economic Studies January 2014 - December 2014

- Investigated long-run growth of 3 Peruvian regions as part of *Peru's National Plan for Productive Diversification*, targeting bottlenecks preventing development. Required intensive use of STATA, work travel, and teamwork

EXPERIENCE

Universidad del Pacifico **Lima, Peru**
Teaching Assistant, Department of Economics March 2012 - July 2019

- Executed 2 hours per week of discussion sessions. Designed and graded exams in +20 microeconomic and statistics courses for +35 undergraduate students of Economics and Business Administration

LEADERSHIP & INVOLVEMENT

- Created workshops focusing on developing programming skills for +1k students of economics from public universities in Peru. Ultimately fundraised $10K from the M. J. Bustamante Foundation in support of continued workshops
- Volunteered as a District Coordinator at the 2017 National Census of Peru. Supervised data collection on 3 districts
